

## San Pablo Road (Beach Boulevard to Atlantic Boulevard)

### Project Phase

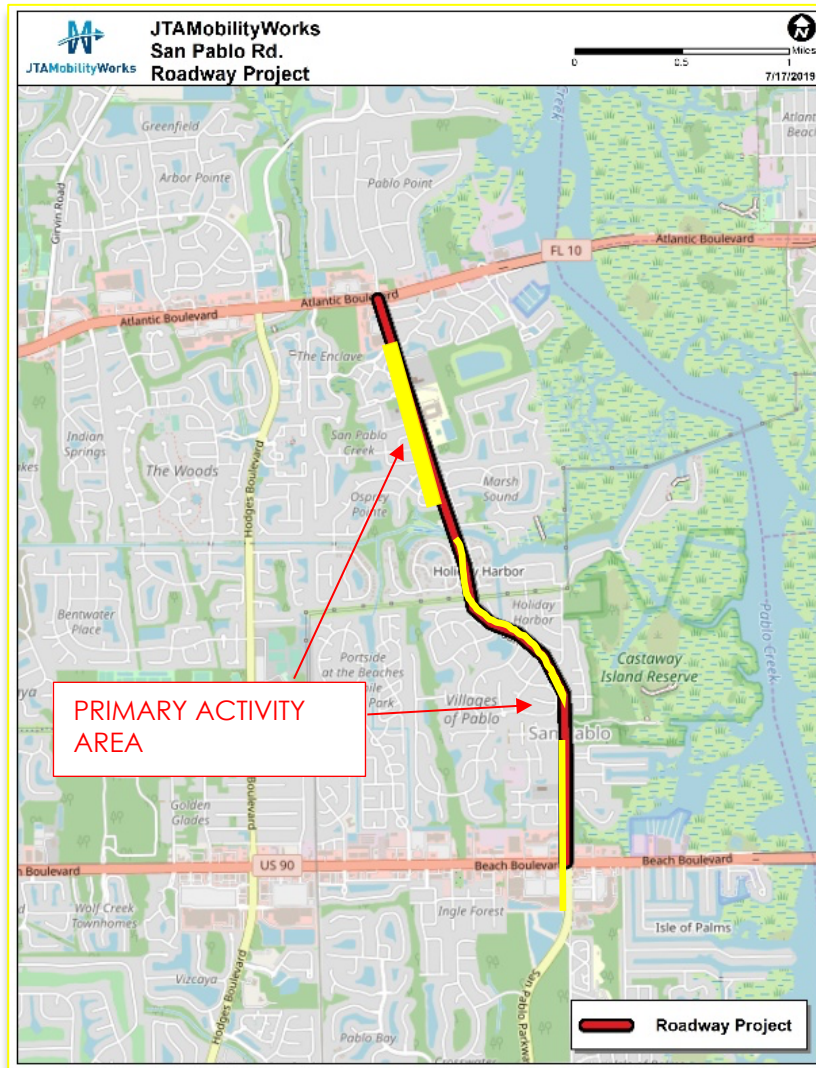

Construction – Phase 2A

### Upcoming Work

Work planned for next week – 10-23-23 through 11-13-23

- Storm Drainage Installation
- Curb/Sidewalk Installation
- Install Pull Boxes
- Low Profile Barrier Wall (Night Work)

The traffic on San Pablo Rd has been shifted to the west to allow for construction of critical items on the east side of the roadway. In the coming weeks Low profile barrier wall will be placed at night followed by Pedestrian channelizing devices. Once this work is complete the existing sidewalks on the East side of San Pablo will be removed to allow for storm drain installations.

\*Note - Minor activities may be pursued in additional project areas
